

Brave Deeds

The Brave Deeds program is a recognition program whereby football players receive helmet stickers for good deeds. These deeds are not only for football achievements, but academic, citizenship, and leadership accomplishments, too.

The philosophy behind the program "Brave Deeds" is to encourage our athletes to be well-rounded. Each football season before we ever touch a football, we hand out these stickers at a football assembly. These stickers are not only rewarded with great enthusiasm, but are also recorded on a poster in our locker room.

This program allows everyone to "Be the Best You Can Be" without being born a gifted athlete.
